I will show you something :

Plastic toy :

GOT IT ? it looks nothing like texture of my model.

Well now look closer @ the texture :

Wanna see a sample of the texture ? ok look at it... It's all you want, but NOT plastic.

So If you don't see the difference, then you are a fag bash moron like ack.

(Hey ack, I heard you think your avatar is like you... Well nice... Ever tried the clothes of your mom ? rofl...)
