I'm not attacking. I'm just pointing out fact with a bit of bias.

I dunno, I used to call people names like those when I was 12.

Did I say I was superior to you or anyone else?

And do I know why you called Seamen as Semen? No I don't. Do you?

You are immature. You keep saying you are mature, but every new post you make turns heads in the opposite direction. Keep 'em coming, "Homer".

Finally, in the sacred words of you..."If you don't like it, don't read it."
