DethdeathAlkalinetrust me ren will be dead before the move to xwis or wol happens..

If I'm not mistaken, there's still a decent group of people left that like the game and hope to continue playing it for the rest of their human lives

Btw. It ain't dead untill I say so

lol, that won't be possible, i intend on playing ren till im the last one left. I love the game , 2nd favorite game of all time, Tib Sun is the best Tetris is 3rd
