sniper12345AircraftkillerDid you fail English or something? Aircraft is one word. It is not "AirCraft," it's simply "aircraft." Shit, I slept through English and I still know more about it than you seem to...

Did you fail English or something? Aircraftkiller is one word. It is not "AirCraftKiller", it's simply "Aircraftkiller." Shit, I slept through English and I still know more about it than you seem to...

Your one word logic doesn't apply. Air and Craft are two words that have their own meanings anyway...

Should I just call you A?

Well, I'll certainly vouch for the fact that you slept through English. That you know more about it than AK I will not.

You think Aircraftkiller is one word? Look it up in the dictionary. Is it there? No, guess what, you just got owned by a book!
