To HTML...I in no way had anything to do with that. I too think that is a weak way of trying to get in. Just FYI, I removed the topic because it was done under the wrong intent.

CrimsonYeah... this is going well. I haven't even put up the poll yet and I'm accused of rigging it by someone who wants to win. :rolleyes: Maybe I was wrong and this community can't be trusted with a decision.

What did you expect? Peeople dont treat each other with any kind of respect. Others think it is ok to poke fun and ream other because they think they are bigger and better. I personally would love to see Dante or even Laeubi come back here and rule with an "iron fist."
