Subject: IE Problem
Posted by zunnie on Sat, 28 Aug 2004 09:24:47 GMT

(bit off topic this maybe)

I use this google toolbar since a few weeks now, nice shit, pops blockups etc.. And concidering im always searching for stuff with google..
It doesnt add any crap features, leaves your IE intact and doesnt install any spyware.
With this program Internet Explorer seems to be quite nicer than it used to be.

Download Here
