Hi, if you can think of any good .info domains, please list them here!

Either for humour purposes or domains that you think could be useful or marketed!

Please check here though that they are are not already registered!

So far i own the following!

destroys.info
i-got-your.info
allyourpersonal.info
the-fbi-has-j00r.info
owns-for-your.info
will-ddos-for.info
i-got-your-mothers.info
fuck-your.info
obliterate.info
obliterates.info
killersmurfs.info
jack-daniels.info
andrewjrussell.info
your-privacy.info
netsplit.info
n00bstories.info <-- for kicks!

Plus a load more 'personel ones'

Thanks!
