1 = Attack the base defenses!
2 = Attack the harvester!
3 = Attack that structure!
4 = Attack the refinery!
5 = Attack the power plant!
6 = Defend the base!
7 = Defend the harvester!
8 = Defend that structure!
9 = Defend the refinery!
0 = Defend the power plant

That groups already taken. I don't know if some other combination would be possible. Input the shift button maybe?
