haha, im'a 10th grader now

Be yourself, blurt out random stuff in class (people will laugh examples: "Socket Wrench" Just saying this will make people laugh there asses off, "I work at mcdonalds" This one is a classic" Don't be a shy little bitch, no one will like you or care to get to know you, be loud, Dib;t vue a F\*\*k what anyone says to you, if a senior says "HEY F\*\*K FACE" give it to them right back. Heres somethin i do and people ALWAYS smile or laugh. Just walk up to a random person in the hall and even your freinds and be like "YOU LOOSE" or "WHATS UP LOSER"

As far as girls go, be yourself, be funny, be a risk taker, treat them like there goddesses

Good luck
