My signature has nothing to do with this. Nodbugger has called me a dumbass so many times that I see fit that I put that quote in my signature. I really don't see the relevance to "the right to voice an opinion" and "not calling people brainwashed". Just because I say "It's time to shut the fuck up," doesn't mean I'm denying Nodbugger's right to post on these forums... :rolleyes:
