i dont do much, but i will be doing lots during the holidays (2 days away) so yeah, i live inner city, kind of. in the 'burbs so most of the pics i will be taking will be from parks or even the city its self.

^^ At a game of AFL football (<http://afl.com.au/>) i like the sky.

^^ Another one of the same match after the game where everyone goes on the ground and plays. this is one of the smaller ground, can only hold about 20,000 people, the main one can hold 120,000...

^^ The sky taken from my Drive way, ignore the cables, there form hte trams that run outside.[/url]
