Okay, this is stupid....

There was a guy on my team called Lagerb62 something or other... so i typed...

!donate lagerb62 500

I donated a few more times to him, and was kicked for complaining about "lag". :rolleyes:

I could never write his name in the chat, without getting kicked. I don't know if this is solely for ThePits, but something makes me think your automatic scripting needs to be re-written.

Note: Wooo 500 posts!
