Yeah, it's Duel Arena & it's a cool DM map because the layout tends to concentrate both sides in a central 'holding tank' w/ doors that lock behind you. It's meyhem then!

On another note, we run that map on our server =RenWarz=The Order listed in GSA. It is unfortunately not listed in WOL. I'll get IP for those interested & I certainly invite you - it's an awesome server running quad xenon processor w/ overall great performance. We run ~40 'fan' maps in rotation.
