Ok i was being a little deviouse to start with! I've not really played for a long time, i come on every now and again, i used to play alot when this game first came out!

Snipesmo i've known since we were in Clan head shot a few years ago now. if any of you know that clan? Was hoping he was gonna bite when i called him a n00b in that last thread i made but he didn't, (shame!!! hehe)

I am new to this web site and by what i've seen and all the hello's i've had seems a great place to hang!

I'm just starting to get my sniper skills back but still i don't think i'll ever be as good as i was but if anyone wants a 1vs1 let me know

My other name's are F1redxhsx, snipeukhs
