AircraftkillerWhat makes you think I care about that as much as you may think I do?

Hmmm, some posts above.

Do you remember when we were talking to each other nicely ?

All was fine. Then, because AoD went back to the team, you started bitching us again. I got pissed and attacked you for that. No reasons at beginning to attack us, only 3 people of our team were on the old Reborn Team.

The point is : I stop all if you agree to talk and stop all that stupid lame shit. (I am a part of it like you, I admit)

I hope you will consider this seriously this time.
