AircraftkillerQuote:but we have to put up with him

Speak for yourself.

The 'ignore' button doesn't work for you Aircraftkiller. So we have to put up with you. :rolleyes:

AircraftkillerQuote:I joined RenAlert about 2 weeks ago, ACK joined, the first thing he said was "Reborn sucks." Apparently Aircraftkiller despises Reborn so much he can't even come in a game without saying it.

I mainly say it for a few reasons, one of which you already had outlined for you Obvious Man... And my name isn't ack.

It's fast to type out, and effective. "ACK."

Aircraftkiller

1. It's fast to type out, and effective. "Reborn sucks."
  2. Saying "Reborn sucks" generally incites a chorus of 20+ people to say "REBORN SUCKS" with me, so I can take screenshots and laugh at Reborn with them.
  3. Things are funnier when you bash Reborn, it's like the icing of a cake.
1. I thought it wasn't supposed to be a chat room?
  2. The number 1 reason for other people going "Reborn sucks" too is most likely because you and other people say it all the time, people don't know what Reborn is so they just join the bandwagon.
  3. I can't think of anything. The only thing that I can think of currently is: "..."

AircraftkillerYou already have my answer, it's higher up in this thread, along the lines of "You suck, Reborn sucks, your team sucks, end of story." You fucked up, I'm not giving you another chance.

Well Aircraftkiller, the first release of RenAlert sucked too, it got better. This is only the first release of Reborn. RenAlert got better. We gave RenAlert a second chance, but you can't give Reborn a second chance.
