Sanada78l decided to just use Dante's ConYard script, don't know how to get the other one working.

I've finished the map now, but have no where to upload it. Can't get into my renstation account anymore.

Do you have mIRC? Come on irc.n00bstories.com #FanMaps1 sometime plz  
my msn is zunnie@fanmaps.net ill host the maps for you
