SEALNodbugger, saying that he didn't "avoid the draft" because he actually wouldn't have been drafted is just stupid. He didn't know that he would be lucky enough to not get drafted at the time, and before they did this lottery thing that your source explains, he had an equal chance of actually getting drafted.

-edit-

That banner = awesome

So are you saying everyone that joined the military during Vietnam is a draft dodger?

BTW, that banner is just stupid. Since when is Bush invading Europe and killing 12 million, Jews, gays and gypsies?
