AprimecowmisfitThe prisinors i work with have TV's , radios, cards and stuff :-/ there "good prisinors though that are on work release, the one even drives his car to work from jail lol.

Your work with prisoners? Have you met their good ol' friend sodom yet?

lol, there not murders, there drug dealers and shit that got caught and are on work release because there "good" prisinors I've heard alllllll the storys of jail lol. Im not ever gonna go there, at my size and weight i'd be some freakishly large black man named tinys bitch in no time.
