AircraftkillerThe difference being most people think his work sucks. Honestly, do you even read what you write before you hit the reply button? :rolleyes:

Because you say it does? Sorry hoss, things in the world don't work like that.

Apparently, Renardin's work sucks because you say it does, but the world apparently doesn't work like that. Apparently, there's an exception for Reborn!

You have just said here that things do not suck just because you say they do. And yet, you also say:

yoult's a fact, because I believe their work is bad. My belief in their work being bad is a fact - that can be proven through what I say.

That it is a fact that Reborn is bad because you say it is!

It's contradiction man!
