Aircraftkiller You don't get it at all, I see... Silly people and their conspiracy theories. It just can't be that Reborn sucks, it has to be that it's amazingly great and everyone is in denial and wants it to die so there's no competition! :rolleyes:

In contrast to most all mods for Renegade, Reborn is probably the second-best mod out there. I challenge you to name a mod that is better than Reborn for Renegade other than RenAlert.
