We don't like your current administration, we don't like what you've tried to do to our economy, it's a fact.

Oh, and Glyde, our youth is full of shit, because watching the news and understanding the news isn't something "cool" or "normal" to do, instead they'd rather wear sex bracelets and listen to shitty MIDIs placed on their cellphones.
Honestly, what the fuck? How can some people confuse Afghanistan with Iraq?
Oh wait, Bush and Kerry did...
