Scampoh, FFS, get it right Alkaline.

Ty Medsker = xptek = Rabidpenguin = Cwazyape = Scamp = Staminus = MacFaN = veeus.

Anyway, what happened to that truce we had. You were talking quite a lot of shit on the BC forums.

heh, what truce? lol...  
anyway all I care is the m01 style maps  
you need to make some more!

btw the setup screen is messed up for this bot, I entered the renegade fds directly and it keeps saying its wrong :/
