You can talk J Ball- well see ya - thanks Weirdo I'll do that. All I've got since I joined is insults from J Ball and Cowmisfit. Wonder if I can complain to Westwood/ EA bout the insults.

PS Just so you know the reason why I have a simple sense of humour is I'm a Brit. This means that that the rest of the planet doesnt get our humour. We also have a thing called wit over here (not sure if the US has heard of it).
