j\_ball430majikentj\_ball430oh my fucking gawd, you have no place to say anything because you know nothing about this community.. :rolleyes:

And who are you to say who has the right to say what around here?  
He knows nothing of the community, and if he did he would realize that there's no way to stop senseless flaming. Not to mention he's all up in arms over it.

That still doesn't explain to me the reason why you think, of all people, you have the right to tell him what he can and can't say.
