SuperFlyingEngi You don't still support the Republican party because they nominated a presidential candidate over 100 years ago, do you?

=[DT=gbull=[L]=]fo sho dude, Michigan (the state i live in) was ALL red with the exception of Detroit areas and some of the backwater UP portions. my county (Kent) was Red w00t!!!!

That's because all of the uneducated people live in the hillbilly areas of states with population counts of 8 people per square mile. Whereas, of course, smart people live in cities. I was just stating that my city was the official birthplace of the modern day Republican party. The name that politicians since Lincoln has carried. I really don't get how you summed it up into me liking a party because of one candidate. I'm not narrowminded like that.

So you live in a hillbilly area of your state?
