j_ball430zunnieYou'll be back. There is no game like Renegade available.

Renegade is more like a 'genre' by itself. Once this genre gets a hold of you once, you will keep coming back for it.

I must have a lot of will power, because I've had no desire to even attempt Renegade again. I haven't played it for like a month without CoD and HL2 to distract me.

SATAN!!! SATAN!!! BURN IT!!!
