icedog90You played it?

yeah ive played it.

j4S[p]StarWars Battlefront came out, no lightsabers or Jedi, and people love it. Soo, your point is?

there are both.

battlefront was ok....i got it for ps2 and i hated the fact that you couldnt be a jedi. I hated it even more that you couldnt kill jedi's in that game. Plus it was like a 5 mission game. 2 hours after i bought it, it was back in the case.
