No shit Sherlock, I was unfortunate enough to live in a Kerry State, and let me ask you who do you think got the better education, me in Grandville Michigan whom got just about all the amenities a highschool will ever need, or some intercity run down school (thank the moron Govenor Granholm kiddies) in Detroit of which cant even carry out a simple Baking soda lab and whose football team cant even keep the MANDATORY 2.0 or higher to stay on the team. Detroit Schools (just about the only place in Michigan who voted Kerry.) tried this year to get the requirement lowered to .8 for GPA to be able to play, if that is the case all you would have to do is breath to get by in those schools.
