You are a complete moron. The Detroit Schools are the ones that i said Sucked, not the school i attended, the school i attended was great. (let me say this slow now for you) D E T R O I T, the same place that won Kerry Michigan. Also, HOW CAN IT BE NATIONAL TREND IF THE NATION VOTED FOR BUSH, take another look at the map dumbass, most counties in the Kerry states ARE RED, meaning your little poll means nothing. Also, ever hear of something called the ACT? Well, Universities in Michigan care more about the ACT than the SAT with the exception of the University of Michigan. That means only the smartest kids in Michigan take the SATs, that also means that LESS people in the Detroit area took them because guess what? THEIR SCHOOLS SUCK , so most of your SAT scores your seeing came from Red counties in the Kerry states, not the blue crappy intercity schools.

So i ask you again, if you are gonna rebuttle to this: KNOW HOW, dont give me some Vague numbers that dont actually give me Kerry's voters educational values but the educational values of the State as a whole.
