Upload's only around... 90 or so...

^_-

My college is a major fiber hub and is a part of all that Internet 2 business some of you may have heard about. In fact, we have so much fiber, we're giving it away! Physically; I have a roll of 500 yards of fiber in my room right now that I'm sure I'll find a use for one day; it was some of the leftovers.
