splnwezelLet me get this straight...

You come onto the forums, decide to laugh at my clanmates, for no apparent reason.

That isn't what I would call "getting it straight".

splnwezelThen when we go, OK, if you're so good, let's play a sniping match.

Sniping is what clans like BR do when they are bored and can't find a real game.

splnwezelBut I don't respect people who show blatant disregard for players or their clans,

You just perfectly described someone in this thread, and it isn't anyone in BR.

Gamespy doesnt work like WOL ass, there is no buddy list, just a playerspy and you cant page, so we do things a little more organized.

More organised? Sounds less organised to me. It takes thirty seconds in the chats to set up a game, if that.

I was asked to join BR at least 3 times over summer, yes THE br, but i chose not to I get the feeling you were "asked" by someone who was not in BR :rolleyes:
