Aprimeglyde51glyde51how does my desktop make me a queer...

if your talking about the quote, it's really a quote from megaman legends, said by Glyde, a charecter in it. Megaman Legends > ALL GAMES

Megatard sucks.

Megaman Legends was a strange one, it was 3-D and featured way more fun. That's one of the reasons I still play my PS2, I have played that game at least 20 times over.
