Yes, I know, I hate my life so much. I'm right on the edge of committing suicide, and if I don't give an attitude on the forums I will surely kill myself. :rolleyes:

All I have to say is this:

These are the wrong forums. We have nothing to do with BC. Also, you don't see a "I Got Banned, Help" forum. Maybe if there was, people would post in that, and I wouldn't have to point out what I said. I mean, he didn't even post a picture of his reticles.
