The saying comes to mind SFE... "Childern should be seen and not heard."

Really you acctually believe an orginization that supports communism and the overthrowing of the American Governmental system. These people that hate Christians and think they are doing the world a favor by denying all Christian beliefs.

They have sick ideologies, they believe that we shouldn't have done anything about Sadam killing and TORTURING his own people.

Have you not noticed the kidnapings of people in Iraq were they are tortured and beheaded. Terrorists deserve no mercy. I couldn't care less if they beat them to death, as far as I am concerned the second they try to kill an American is the second they forfeit their right to life.
