It said that i needed to look for help here.. so ill copy what is says:

If you experience problems with Renegade ,e.g. renegade wont start, always.dbs missing, wrong language>, make a note of what this programs says and report it to BH studios:

Language ID = 0

English detected

Removing old always.dbs

Removing new german always.dbs

error 2

—

Well... if i start renegade now, i see the screen of RG, then it tries to connect, then it tries to dl the core patch, and then i get an error... that the old file doesnt exists... then it says download is succesfull, but if i try to play then, it tries to dl the patch again.... what can i do about it to fix it??
