Okay, the first and most important thing you have to do is get some SpongeBob boxers. Get that, and swim across the Atlantic (if you aren't in Europe already) and run down to whatever part of Asia Mt. Everest is at. This is where those boxers come in handy, because you'll have to climb Mt. Everest using nothing but those SpogeBobs. On the summit you will find a half Japanese half Puerto Rican monk named Fushi Rodrigez. If you complete all your given tasks, he will give you the power to run your mod.

Good luck,
