Atheists: It's fine if you don't like Christmas. Some people do. having the freedom to co-exist is what America is all about. We'll revisit that on the 4th of July, k?

Atheist Liberals: If you want to remove Christmas from everything and everywhere, don't celebrate it. It's fine with me.

I need someone working at Walgreens so I can buy AA's on Christmas morning anyhow. I always forget to get them before hand.

Don't like Christmas, then fine, you can go to work on Christmas, it's your american freedom to do so.

That is all.
