CrimsonLet me get this out of the way...

"The textures look like concrete"

Yeah, I'm sure Aircraftkiller will say the textures are all wrong & really look like horse pockey...

That looks like fun & the music is "right dar"! Great video!

That song is good & remember that ol' school "Basketball" song from that 80s rapper...Damn can't remember his name!? It starts out "basketball is my favorite sport & I like the way they dribble up & down the court..."

Any of those street thugs Ren players?
