j\_ball430AircraftkillerE) People like you, who remind me why Darwin's theories were wrong. I wonder if that's partially the reason why Darwin revoked all he had theorized.

Anyways... I think there has to have some skill involved in "sniping", but I also don't think it's near as much as others think it is. Sniping in CS:S is A LOT harder than Renegade.

Yeah sniping in CS:S is pretty tough, but I wouldn't say it's alot harder.

Possibly just me though.
