hey guys,

sorry for whats happened, i was angry cos i got banned for '109', sorry that i threatened u and that i crashed ur server, it will honestly never happen again, i regret doing it and so does dandan, i sincerely hope i will be forgiven for doing this, i didn't mean to cause so much harm, i was just angry, we've all been angry and done things we regret, this is one of those things, sorry to all people involved in my foolishness, i hope i can b forgiven

sorry again guys
