Here you go again, bringing my kids into this. Get a life, I'm not a thief, if any one is, it's you, I have the tools to do my own maps. I don't need any thing from you. What a little mind you have! You always think every one else is stealing from you. What a dip. I guess your going to force me

West Wood Studios. So STFU.

I think I will release it, just so you can KMA.
