NineballYou should've gotten a K8N Neo 2 Platinum and a socket 939 3200+ from http://www.monarchcomputer.com/Merchant2/merchant.mv?Screen=PROD&Store_Code=M&Product_Code=80152&Category_Code=AMDC&pwselect=110228,120422,130122
They set everything up for you and update the BIOS for the Winchester core and then send it off.
I'll be ordering from there in 2 weeks

I'm not buying anything from the US because of the fucking duty taxes.

Get this: You order a \$20 T-Shirt from Cafepress and you have to pay an extra \$40 once you get the package.
