it's a wol bug/glic that cam be used to go in to a game with another person's name(not RenIP) and then get them kicked out(not 100% sure) from the game, and you will also get all the mod powers that they had. I've never tested it, but i know of it, it was posted on one of the cheating sites. [www.un\\*\\*\\*\\*\\*h\\*\\*\\*s.com](http://www.un*****h***s.com) hope i'm not releasing 2 much info
