U guys probably wont figure out how it is done until your mid 50's... and im only 16... haha. You will get more reports of this tonight, cos 10 servers ADMINIS/OWNERS accounts are being hijacked...

"poobuddy has since then made a new name with a harder password."

ROFL...i dont need his password... i can get anyones account as long as i know the name... lol... + ill b back tonite...

also...

"if the illegal player joined(with caps) with intentions to get somebody d/c and steal his powers.. why is the original player (name not in caps) doing the kicking? " I typedthe name wrong... , lol

rensabre, ur the closest... but caps was a mistake.. when i wrote the name down, i wrote it with caps... by accident...
