Borisuk Thanks .

I need some help on making a flash site. Here are some things I need help with if anyone knows how to do any of these please treply to this topic thank you.

- 1)How to add the time includeing seconds minutes and hours?
- 2)How to add a music player that allows the user to control volume stop and start?
- 3)How to make a drop down menu?

Thanks

I get most my Flash tips from www.Flashkit.com

Time Tutorial
Music Tutorial
Dropdown menu Tutorial

guess. :rolleyes:
