xC4pRoXAircraftkillerxC4pRoXFavorite song: "Thug Love," by 2pac featuring Bone Thugz N Harmony.

Favorite oldie...um...I want you to want me, I guess.

YOU WILL NOT MENTION CULTURE CLUB OR ITS HIDEOUS MUSIC AGAIN.

LOL . SR-71 made a remake of that song during a concert, that's the only reason I know about it.

He's not really the 80's buff that he makes himself out to be, don't worry..

The song you mention is by Cheap Trick, the one he's confused with is "do you really want to hurt me"
