Belief that Iraq had link to 9/11 attacks -> WMD -> Liberate Iraq.

When there was not solid proof of the first one (now confirmed) the reason changed to WMD and when there was no sign of WMDs, the Liberating Iraq reason was added.

Its not official that 9/11 had no connection with Iraq and now there were no WMDs found. Although Iraq's old government was toppled and as we all know Sadaam has been detained.
