You think you are so "hard" don't you? Think you are untouchable?

I think not, go back to the hole you crawled out of. Get a life and go get some friends.

I know 10 year olds are immature but you just reached levels of monolithic morosity and childishness. Seriously, wishing death upon somebody because they "annoyed you"? Jesus that is sad.

Whats with the smileys? Are you looking for a laugh or something? You won't make any friends here so I suggest you fuck right off back to your dad's cock.

And finally

Quote:Your sir... Are an idiot
