AircraftkillerSo if they were already made, what's the excuse for showing that garbage off?

Don't ask me, I didn't make the scene... Ask Exdeath. But it doesn't mean we actually use those textures in the mod.

Sir PhoenixxEXdeath7You maybe?

If you (or anyone else) want to, you can e-mail me and I'll help you with UVW mapping (or almost anything about modeling with 3dsmax and gmax).

He's being helpful, Exdeath. If I were you I'd take the opportunity and see if he can teach you things you didn't know before.
